

Sinclair Broadcasting's decision to preempt regular programming to air an anti-Kerry documentary days before the election is a clear misuse of the public airwaves.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the PUBLIC INTEREST. Blatant partisanship on the part of a media outlet does not seem to me to be in the public interest.

I urge the FCC to act on this important matter. An independent and fair media is critical to a healthy democracy.

Thank you.

Sincerely,  
Ken Ehrlich
